Chief Harton reported the Village was awarded a grant, but she was not given an amount yet. A mini IDOT grant has also been awarded. Unfortunately, the dealership sold the car she was approved purchasing, so she is looking again. She also has been reviewing the ordinance regarding overgrown yards and wanted clarification about whether or not a violation can be given because of the condition of a backyard since it generally cannot be seen from the street. Attorney Craven said a violation can be written for a backyard, if it creates a nuisance for the neighbors.

The board agreed to add the option to pay ordinance violations and two fees by credit card, once the new POS is up and running.
